

Ikiam

Universidad Regional Amazónica

Ikiam University is a Public Higher Education Institution, created in 2013 and located in the Ecuadorian Amazon Region. It is focused on the development of knowledge, science, and high-quality education for the conservation and sustainability of the natural resources. As an institution, we are committed to providing solutions to the current social and environmental challenges of Ecuador, the region, and the world.

**We are a university specialized in education
and research for the environmental sustainability.**

GENERAL INFORMATION

University population

1182 students
886 undergraduate
students
296 leveling students

112 faculty members
69.64% of the faculty
members is from Ecuador

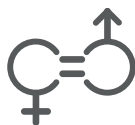

Impact

57.22 %

of the students are from the
Ecuadorian Amazon Region, which
is the most biodiverse region in
the world.

Gender equality

49.15 % of the student
population and **44.64%** of
the faculty are women.

Excellence

79.82 %

of the faculty members hold
postgraduate degrees

RESEARCH

56 research projects on execution

More information

8 research labs

More information

11 research groups

More information

Membership in
22 research networks

More information

204 published papers

More information

62.75% of the research projects have international funding

RESEARCH GROUPS

Biomass to Resources

**Earth Sciences, Climate,
and Society**

**Tropical Ecosystems and
Global Change**

Education

**Geophysics
and Geotechnics**

**Integrated Water and
Aquatic Resources
Management**

**Population and
Environment**

Biomolecule Discovery

**Spatial Ecology
and Biogeography**

Applied Microbiology

Sustainable Architecture

LABS

Molecular Biology and Biochemistry

Water Reference

Microscopy

Natural Products

Geosciences

Global Change

Insectarium

Biomass

Innovación &
Transferencia de Tecnología
Ikiam

First and Second place at Elevator Pitch 2020, among 92 participants

First place at the Global Online Startup Weekend Unidos contra Covid-19

Digital Art Project with Fundación Telefónica Movistar

UNDERGRADUATE ACADEMIC OFFER

Agroecology

Geosciences

Ecosystems

**Experimental
Sciences Education**

Biotechnology

Biotrade

Sustainable Architecture

Water Science

Academic calendar

Academic programs

To know more about the admission procedure for international students please contact the Inter-institutional Relations Office: relaciones.interinstitucionales@ikiam.edu.ec

GRADUATE ACADEMIC OFFER (in process of development)

The university is developing its postgraduate academic offer in the following areas:

Climate Change

Sustainable Development

Sustainable Architecture

Environment

Ecosystems

CURRENT GRADUATE ACADEMIC OFFER

**Biotechnology –
Health Sciences**

**Biotechnology –
Food Security**

**Biotechnology –
Energy and Environment**

COMMUNITY OUTREACH PROGRAMS

15 projects
on execution

5790
beneficiaries

11 continuing education
programs

[More information](#)

*Information from 2017 – 2020 (August)

AREAS OF THE COMMUNITY OUTREACH PROGRAMS

**Sustainability and
environmental education**

**Community
development**

**Programs related to research
and innovation**

Partnerships with local actors

SERVICES AND CAMPUS LIFE

Health services
Prevention campaigns,
first-level medical care,
dental care and psychological
support

**Cultural events and sports
activities**
Promotion and development
of cultural and sports areas

Library
Book loan service, computer
labs and access to scientific
databases

[More information](#)

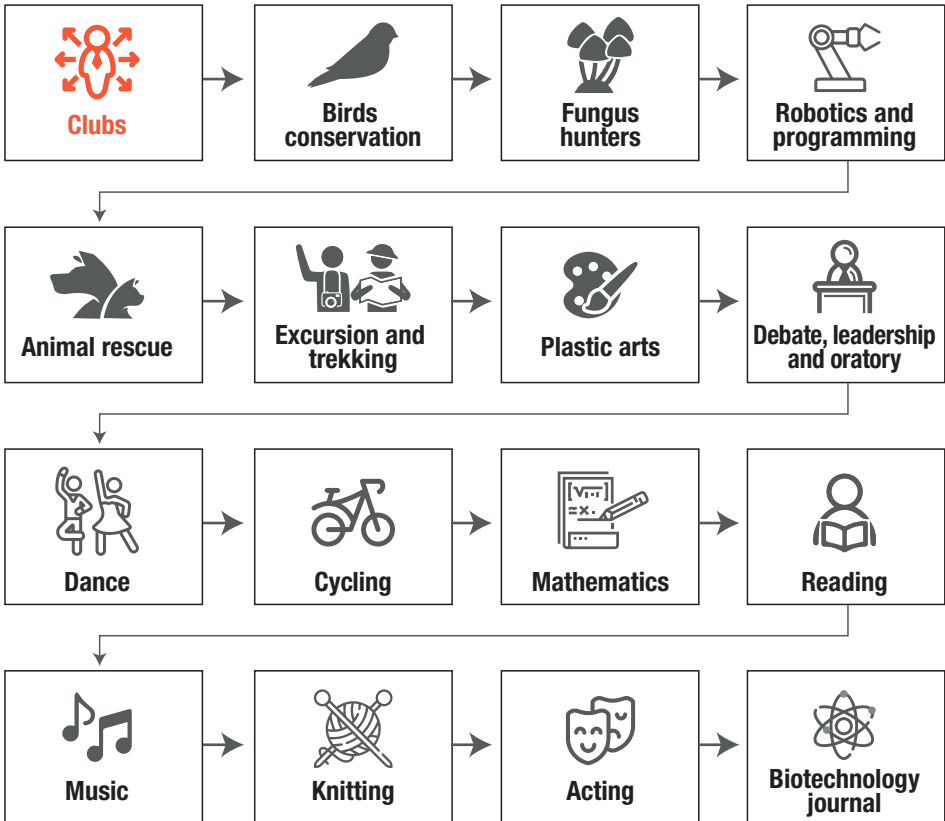

15 clubs
open to the university
community

Ikiam transportation
service available for students
with the route (Tena – Ikiam
campus) and (Ikiam campus–
Tena)

Breastfeed facilities
A space available for the
university community to
breastfeed, extract, store,
and conserve breast milk

INTERNATIONALIZATION

133 Agreements
Collaboration with 118
institutions around the
world

18 outgoing students
35 incoming students

30,36%
international faculty

UNESCO Chair on Tropical
Freshwater Management

Membership in **6** academic,
cooperation and innovation
networks

3 mobility projects
financed by ERASMUS+

More information

Erasmus+

2 capacity building projects
financed by ERASMUS+

45 research projects
executed with international
partners

2nd and 3rd place
at SDSN Amazon Award
2020: "Sustainable Solutions
to face Covid-19 in the
Amazon"
